HVRHS is hosting both in-person and virtual visits from representatives of colleges, military, and employers. Visits may be booked on RepVisits. If you do not have access to rep visits (military and employers) please contact Kirin Terni directly.

Students will attend a virtual visit in the College and Career Resource Center projected on a screen. Any links specific to your visit can be sent to kterni@hvrhs.org and they will be shared with students in attendance.

At this time we are permitting outside representatives to speak with students. Visitors are not required to be vaccinated or wear a mask, however both are highly recommended. Bring your driver's license to check in at the main office. There are two visitor parking spots across from the main entrance with the double green doors behind the larger white pillars. Visits will be held in Room 101, the College and Career Resource Center.
